Dear Hon. Judge Martinez:

Since the assassination of President Jovenel Moise was obviously "**planned**" inside the Territory of the United States; the Federal government does therefore maintain full and continuous jurisdiction over the above entire matter.

1. Pursuant to the United States Foreign Corrupt Practices Act of 1977 (F.C.P.A.) et seq, 18 U.S.C. Section 2339A, 18 U.S.C. Section 956, 18 U.S.C. Section 956 (a) (1), 18 U.S.C. Section 201, 18 U.S.C. Section 1952, 18 U.S.C. Section 1956; and according to the United States Foreign Extortion Prevention Act of 2023 (F.E.P.A.), we are of course respectively petitioning in the interest of public outcry and justice; that the above captioned Defendants including Prime Minister Ariel Henry, Investigative Judge Walter Wesser Voltaire, former President Joseph Michel Martelly, Joseph Felix Badio, Vitelhomme Innocent, Jean Aguel Civil, Dr. Claude Joseph, Dr Pierre Reginald Boulos, former Police Chief Leon Charles, Senator Youry Latortue, Andre Michel, Senator Antonio DonKato Cheramy, Pastor Christian Emmanuel Sanon, Senator Joseph Lambert, Goerges Edouard, Business man Dimitri Vorbe be immediately arrested, extradited, and prosecuted to the full extent of laws relative to the below facts and flagrant violations.
 - a) Most recently, on or about December 26, 2023 overseeing Judge Walter W. Volter unethically and maliciously went to the private home of Defendant Prime Minister Ariel Henry to conduct Pre trial hearings of him privately, in strict violations of Haitians' Criminal Laws and Procedures and contrary to the Haitian's Federal Constitution. In Haiti Court's matters are handled publicly in the Court Room, there is no exception.
 - b) It is further concluded that Judge Voltaire has always been radically biased in his handling of political cases.
 - c) It is also conclusive that Judge Voltaire has been allegedly paid an actual cash bribe of over ten million dollars (U.S. funds) in order to shield the aforementioned Defendants including Defendant Prime Minister Ariel Henry and his Acolytes from criminal liability in the murder of President Jovenel Moise. The said Bribe was actually paid by Defendants Joseph Felix Badio, Vitelhomme Innocent, Dr. Boulos, Dimitri Vorbe and former President Joseph Michel Martelly.
2. Pursuant to Haiti's Extradition Law of August 28, 1912 et seq; Article 17 of Haitian Law of March 12, 2014 on the Prevention and Repression of Corruption Act; the Inter-American Convention Against Corruption (OAS), and under the United Nations Convention Against Corruption (U.N.C.A.C.), specifically, Article 63 (7), we demand on behalf of the Haitian People and the Republic of Haiti an Order Recusing overseeing Judge Walter Wesser Voltaire from President Jovenel Moise murder case with Prejudice.

Judge Voltaire ought to be recused due to ongoing conflicts of interests, bribery, fraud upon the Court, and impartiality.

3. We further demand that overseeing Judge Voltaire and Defendant Prime Minister Ariel Henry be arrested without delays, processed, and put to criminal trial before your Court.
4. Due to the level of ongoing corruptions, existing briberies, and fraud in the Haitian Court system, justice can never be done or prevailed in the murder case of our late President Jovenel Moise. Therefore, we demand that all remaining Defendants awaiting trial in the Haitian's corrupt Courts system in Haiti be transferred and or extradited to the United States for subsequent trials and post trial proceedings.

Respectfully Argued,

Grand Maitre Max Bookman
Associate Director
